Kids Aid provides a bag of easy-to-fix food to over 1900 school kids to take home over the weekend. Most of the work we do occurs on Wednesday or Thursday. Ideally Kids Aid likes volunteers to commit to helping during the entire school year (naturally with opportunities to have others substitute if you are gone).

What day would work best for you to volunteer?

Wednesday

Thursday

What times during those days would work best for you to volunteer?

Schools from Loma all the way to DeBeque receive food bags from Kids Aid (# of bags per school range from 4 to 150 per week).

What volunteer opportunity interests you?

- Warehouse (must be physically able to lift 20 pounds)
- Bagging Food
- Delivering Food to Schools (must have own vehicle)
- Conducting food drives (volunteer opportunity not limited to certain days)
- No preference – I'm available to help wherever help is needed.

Kids Aid also has a fundraising committee which works year round.
Would you be interested in volunteering for fundraising? _____

Do you have any special skills which might benefit Kids Aid? If so list:

Please read this statement before submitting:

I understand this is an application for and not a commitment or promise of a volunteer opportunity. I also understand I will receive the wonderful satisfaction of a job well done and no monetary compensation.

It is a normal part of Kids Aid to check on the suitability of all volunteer candidates going into schools. Successful completion of a background check is required for any volunteer 18 and over.

THANKS so much for your interest in volunteering for Kids Aid. We truly appreciate your willingness to volunteer your time. Without volunteers like you keeping hungry school kids fed on weekends would not be possible. Please send your application to:

Kids Aid
P.O. Box 2569
Grand Junction, CO 81502

We will try our best to be in touch with you in two weeks of receiving your application.
