

The Backpack Program is sponsored by Kids Aid, a local nonprofit organization. The program is an emergency food assistance program which discreetly provides bags of food to children in need of food for the weekend.

There is no cost, nor any qualification, to participate in this program. If you feel your child/children would benefit, please complete the bottom portion of this sheet, and return it to your school. The Backpack Program does not collect this information; it is used only for the schools to know where to discreetly deliver the food.

Please visit our website at kidsaidcolorado.org for more information and/or to leave us feedback about our Backpack Program. Your feedback helps us to better meet your kids' needs.

***Please return this form to the school by August 29, 2022.**

Distribution begins Friday, September 2, 2022.

*Program enrollment (and dis-enrollment) is on-going throughout the school year. If your situation changes, contact the school office for assistance.
